PREPARATORY SCHOOL

## **St Peter's School Bacculaureate®**

### **AIMS:**

The aims of this policy are to outline how the St Peter's Bacculaureate® works at St Peter's Preparatory School; its background and structure.

### **HISTORY**

In 2010 staff teams came together to make a change to CURRICULUM. We achieved the following and created our own curriculum design which led to Teaching and Learning improvement, changes to our assessment processes and a significant rise in the enrichment opportunities we provided for our children. This development has brought a raise in attainment and has also added excitement to the whole community.
